

# Melbourne City Experience

Get inspired and discover how to make the most of your Melbourne City Experience with this special all-day forum and expo. Suitable for school teachers and leaders, particularly Year 9 teachers and coordinators.

Discover:

- Tips and tricks from the experts for planning multi-site or multi-day city excursions
- Insights from representatives from major cultural institutions across Melbourne
- Ideas and learning from leaders in location-based learning design
- The opportunity to explore a selection of venues and be inspired by the infinite possibilities for learning in the city
- How to design rich and authentic learning experiences unique to Melbourne

Certificate of Participation for VIT registration available.
